

Primary Care Counsellor/Therapist - Prison

- Fixed Term Contract and Bank Work
- Part Time
- Based in south London or north east London
- £18 an hour on a self employed basis

The Atrium Clinic and Therapy Centre has been providing prison counselling services for the last 7 years within Essex and more recently in London.

We currently have vacancies for accredited and experienced counsellor/therapists to join our small and friendly counselling team working within prison settings.

Our business objective is to deliver brief, effective primary care counselling interventions to both those on remand and sentenced offenders within the prison estate; therefore previous experience of working within a prison and other criminal justice environments is essential.

This role would be ideal for anyone wanting to belong to a smaller, responsive and flexible independent sector employer, whilst working alongside colleagues in the NHS and statutory services.

Closing Date: This is a rolling recruitment process
